About Us

The Accounting & Financial Women's Alliance (AFWA), originally named the American Society of Women Accountants (ASWA), was organized in 1938 to increase the opportunities for women in all fields of accounting and finance. The first chapter was chartered in Indianapolis, Indiana. Members include partners in national, regional and local CPA firms, financial officers, controllers, academicians, financial analysts and data processing consultants, college students and recent graduates, and women returning to the work force. Many of our members have attained professional certifications such as CPA, CMA, CIA, and CFP. The Huntsville chapter was chartered on December 4, 1982. We hold monthly meetings with programs of technical and educational value.
